

October 30, 2007

Please join us on November 29th 2007 to celebrate the second quarter in the implementation phase of the Sierra Nevada Adaptive Management Project (SNAMP). We would especially like to use this opportunity to recognize individuals like you that have made this work possible with your continuing participation and support.

Location: Power's Mansion Inn
195 Harrison Avenue
Auburn, CA
(530) 885-1166

Time: 1-5pm
Light refreshments will be provided.

**Second Quarterly Meeting of the UC Science Team
Sierra Nevada Adaptive Management Project**

Agenda

Public Update 1-3 PM

- Work Plan Updates from Science Team
- Data Sharing Discussion
- Quarterly Meeting Format Discussion

3-5 PM – Celebration!

Collaboration is hard work. We want to reflect on the process required to support strong working relationships in order for this project to be successful as we reach out to the communities for broader input and active participation.

We hope you will join us!

For background details as well as other ongoing activities on the project, please visit the SNAMP website: <http://snamp.cnr.berkeley.edu>

For directions to Power's Mansion Inn, please see directions below.

Sincerely,

The SNAMP UC Science Team &

The SNAMP Memorandum of Understanding Partners (Federal and State Agency Partners)
