

SNAMP Quarterly Meeting – Q2 2014

Agenda

Date and time: conference call on Tuesday, July 22, 2014, 2:00 pm - 4:00 pm PDT

Call-in information: 1-888-844-9904

Code: 1869589#

Meeting Purpose:

- Provide direct communication between UCST and MOUP on a quarterly basis, as committed.

Desired Outcomes:

- Update MOUP on UCST progress; remind MOUP of up-coming SNAMP events.
- Discussion by MOUP regarding their response to the SNAMP final report.
- Decide whether to schedule further MOUP quarterly calls.
- Communicate science teams' progress: Q2 updates report in written form, provided via email and website.

Agenda

- 1) Update on UC Science Team progress towards the SNAMP final report (John Battles).
- 2) Upcoming dates:
 - Thursday, July 31, 2014, 9 am-4 pm: Fisher Team IT meeting, UC Merced Center, Fresno;
 - Wednesday, August 13, 2014, 8-11:30 am: SNAMP-related Oral Session at Ecological Society of America annual meeting, Sacramento Convention Center;
 - Thursday, September 4, 2014: Water Team IT meeting, Merced;
 - Thursday, November 6, 2014: final SNAMP Annual meeting, McClellan.
- 3) MOUP response to the SNAMP final report (Patricia Flebbe).
- 4) Will this be our last quarterly call?
- 5) New business?
Open discussion of other topics raised by participants.
