

UCST Public Meeting Evaluation, Jan. 24, 2007

**It is important that we get feedback on this meeting, so that we can do a better job of designing meetings and developing activities for stakeholders. This form will also be posted on the SNAMP website and you are welcome fill it out on the web at your convenience.**

**1) One of our goals is to engage stakeholders in scientific research. Thus far, we have made our workplan development and review public, and have incorporated public suggestions and feedback into the process, explaining when constraints prevent us from doing so. Please let us know how likely it would be for you to participate in UC Science Team research in the following ways (circle one number for each):**

	Very Likely	Somewhat likely	Not very likely	Unlikely
Workshops near the research sites	1	2	3	4
Workshop in central location like Sacramento	1	2	3	4
Site visits to observe treatments	1	2	3	4
Can commit to participate in a monitoring program over time	1	2	3	4
Public meetings to update progress and report results in central location	1	2	3	4
Public meetings to update progress and report results near research sites	1	2	3	4
Regular updates on website	1	2	3	4
Mailing list with updates mailed to my home or office	1	2	3	4
Email listserve with updates emailed to me	1	2	3	4

**2) Please describe other ways you would like to participate in the research for this Adaptive Management program:**

**3) Please circle the number that indicates how much you agree or disagree with the following statements:**

	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
The UCST proposal will provide important information to impact future management decisions.	1	2	3	4	5
The UCST provides a necessary third party neutral role.	1	2	3	4	5
This project will advance the practice of Adaptive Management on the ground.	1	2	3	4	5
This proposal should receive further discussion before implementing.	1	2	3	4	5
The UC Science Team clearly presented the boundaries that are constraining the project	1	2	3	4	5
The UC Science Team clearly defined Adaptive Management.	1	2	3	4	5
The meeting provided an opportunity to interact with UCST and/or the agencies related to this project.	1	2	3	4	5

Comments on the above:

---

**5) Please check the box(es) to indicate how you did or did not participate in workplan development:**

	YES	NO
Reviewed materials from workplan development		
Attended previous public meeting		
Provided written comments		
Sent comment to website		
Spoke with UC team member		
Spoke with agency member		
Spoke with other MOU partner		
Reviewed materials, but did not think feedback was needed		
Was not aware of project		
Was not able to track workplan development		
Previously uninterested in this project

**6) Have you ever visited the UC SNAMP website? ( Y / N )**

If not, why not?: \_\_\_\_\_  
 \_\_\_\_\_

If yes, do you have suggestions for website improvement?:  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

**7) Did the UC Science Team present clear summaries of their proposed work plans?**

- a. Fire and Forest Health ( Y / N)
- b. Water ( Y / N)
- c. Wildlife ( Y / N)
- d. Public Participation ( Y / N)
- e. General overview and presentation (Y / N )

Comments: \_\_\_\_\_
